

# Top Dollar Paid For Your Valuable Firearms

Call today for an in-home consultation

**508-381-0230**

As a public service to your community, New England Ballistic Services is willing to help you dispose of unwanted firearms, ammunition, and related items. We will legally dispose of unlicensed or dangerous guns and ammunition, and will buy collections of valuable or historic firearms.

Protect yourself from potential legal consequences by properly disposing of unwanted firearms.
